

Hillsdale Community Association (HCA) Program Registration

A Community Association membership is required in order to register for programs. A Hillsdale membership can be purchased for \$5 at the same time as class registration. You can also provide a valid 2023/24 membership that has been purchased from another Community Association. A membership covers all family members residing at the same address and remains valid for a twelve-month period, from September 1, 2023 to August 31, 2024.

The Hillsdale Community Association will hold a Winter 2024 **in-person program registration** session on Tuesday, January 9th at 7:00 - 8:00 PM in the Marion McVeety School Gym located at 38 Turgeon Crescent. The City of Regina's community-wide registration night will take place at the same time and venue. Payment at the in-person registration session is by cash or cheque.

We are offering an **online registration process**, whereby program registration forms (fillable PDF) are available on the HCA website (<http://www.hillsdaleca.ca/>) and payment is made by e-transfer. Online registration will open on Friday December 15, 2023.

Steps for Online Registration:

- 1) Complete the fillable PDF registration form and send it to programs@hillsdaleca.ca
- 2) An email from HCAtreasury@hillsdaleca.ca will be sent outlining the e-transfer request
- 3) Remit an e-transfer to HCAtreasury@hillsdaleca.ca
- 4) A receipt for the program registration along with a Community Association membership card (if applicable) will be sent to you

Thank you for your interest in Hillsdale Community Association programming!
